

Personal Development Opportunities

Are you out there somewhere, contemplating change?
Wolwedans is searching for some hidden talent,
to complement our hospitality/tourism team

Our purpose is the Pursuit of Happiness and Wolwedans exists to inspire a new way.

When Wolwedans was first set up with four igloo tents on top of the dunes back in 1995 we had no idea where the journey would lead. Today, the Wolwedans Collection sports four tourism properties, an active Foundation and the Wolwedans Desert Academy and RuralRevive – all carried by a bracing, forward-looking and holistic vision, themed “The AridEden Project” (www.arideden.org).

Sustainability is – and has always been - at the heart of *what* we do. Maintaining a healthy balance of People, Planet and Profit was ingrained in our DNA from the word go. It defines our conscious sense of ‘Being’ and our ‘WHY’ (why does Wolwedans exist, to do what, and how). We are hopeful and optimistic that we can inspire ‘a new way’ - of going about doing business. In our local tourism sector and beyond. More sustainable, balanced and inclusive.

Our re-vamped 24-bed **Wolwedans Desert Lodge & Retreat** (formerly known as Dunes Lodge) will re-open in June, in time for the season. With that exciting milestone approaching, we endeavour putting together **a dream team** which will take this rejuvenated gem to the next level.

Wolwedans is different in many ways, and we look for *that* difference in you too, bearing in mind that your character, passion and attitude rank distinctively higher than countless certificates and years of doing the same thing (experience) at different places. Being a great host, delivering genuine service and giving our guests an amazing time is not rocket science and hence – that is if you are open-minded, creative and not shy to explore and grow with purpose - feel free to apply, even if you don’t have the qualifications. Before you give this a shot though, kindly take some time to learn/read about Wolwedans; and check whether it resonates with you and *your* journey for change.

Wolwedans is looking for people in the following fields:

- Food&Beverage Service (waiters)
- Bar tenders and Guest liason
- Homekeepers (housekeepers)
- Desert Field- and walking guides
- Assitant Lodge Anchor | Coordinator
- Lodge Anchor | Coordinator
- Massage Therapists
- Welcoming host (receptionist)

In addition to putting this hospitality dream team together, we are also looking for an experienced **People Development Manager** (HR manager as it was referred to in the old days) to be based at Wolwedans at least 2/3rd of the time. Payroll-administration is outsourced, so this is really about day-to-day people admin, driving values, helping individual team members in their development and managing the crews’ needs and concerns.

If you are interested in any of the above positions, and look for more (purpose) than just a job to make a living, kindly send a motivational letter and CV with head/shoulder photograph to: digital@wolwedans.com. Who knows, maybe we’ll be talking sooner than you thought. To get a better idea of wolwedans, check out www.wolwedans.com www.wolwedans.org and www.arideden.org.
